

SOCCER TEAM PENALTY SYSTEM

A new team penalty system is now being implemented so teams that consistently infringe upon the rules and standards of the competition will be held accountable.

Penalty points will be awarded to teams based on various breaches of the rules as outlined below:

- Blue Card infringement – 1 penalty point**
- Yellow Card infringement – 2 penalty points**
- Red Card infringement – 3 penalty points**

Teams will be penalised as follows:

- 4 penalty points – loss of 3 points from the season ladder**
- 6 penalty points – Team suspension for 2 weeks**
- 8 penalty points – Team suspension for the remainder of the current and following season.**

Team penalty points will reset at the start of each season; however Management may award a loading to teams that have caused issues in previous seasons at their discretion.

This system will be used in conjunction with Management's discretion to remove teams at any time that are not behaving in a manner suitable for social indoor sports.
